COLVEND

~ ANGUS AND SHORTHORN STUD ~

BULL SALE

Alan & Val Park

welcome you to Colvend for our
Annual on Farm Bull Sale.

You are invited to join us for
light refreshments after the sale.

A Alan, Val and Ash welcome you to our annual on farm bull sale.

We have lived here in the Tapuiwahine Valley since June 1998. We then purchased our first Shorthorn cows in May 2000. 2 cows from Jeff Proffitt and the majority of Ina Philips herd from Darfield in the S.I.

We purchased our first Angus cows in 2016 from Oakview Angus Stud (established around 30 years ago.) We were fortunate to have such a great line of females to start our Angus breeding journey with (and that have handled our conditions so well.)

Colvend expanded in 2024, purchasing a second farm 25 minutes north from the Tapuiwahine farm. The Shorthorns have moved to the new farm with Alan & Valerie. Whilst the Angus herd and stud bulls remain here in the valley.

O.S.H Health & Safety

Every effort has been taken by the vendors to ensure the safety of all visitors on Sale day or any other day. However we wish to advise that this is a farm run under normal management conditions and certain dangers exist in relation to livestock and their environment. We ask visitors to take care to ensure their personal safety.

Facebook

Conditions of Sale

Fertility Guarantee

All bulls in this catalogue have been semen and service tested by Tararua Breeding Center and are guaranteed fertile and in working order at the time of sale. A copy of the semen and service testing will be on display on sale day.

The purchase price of any bull proven to be infertile will be refunded by the vendor, provided the bull has been kept in fair and reasonable condition by the purchaser, and the purchaser has been notified within 6 months from the date of sale.

The bull will become the property of the vendor and will be disposed of at his discretion.

Feet Guarantee

All bulls in this catalogue carry a feet soundness guarantee until they are three years of age. Should they develop a fault which affects the bulls ability to breed, the bull is to be returned to the vendor who will refund to the purchaser a proportion of the purchase price.

The method of refund applying to the above guarantees will be that the vendor will make credit available to the purchaser via subsequent bull sales held by the vendor.

Insurance

All bulls become the buyers responsibility from the fall of the hammer.

Delivery

Free delivery in the North Island within 7 days on bulls sold at auction

Auctioneers and Booking Agents

Commission

6% will be paid to all companies introducing purchasers prior to the sale.

TB C10

BVD

All bulls have been tested negative for BVD and vaccinated.

PURCHASING REBATE

All intending purchasers must register at the sales office prior to the sale.

PGW will pay a purchasing rebate of 5% of the purchase price excluding GST, plus GST, to livestock companies & recognised independent livestock agents with a PGW account who have introduced buyers to PGW before the sale and/or accompanied buyers to the sale.

TERMS AND CONDITIONS

The New Zealand Stock & Station Agent's Association Conditions of Sale and, to the extent deemed relevant by PGG Wrightson Limited (PGW), PGW's Terms of Sale apply to this sale. When proceeds are credited or a purchase is debited to a PGW monthly credit account, then PGW's Monthly Account Terms of Trade (as amended from time to time) apply to the extent deemed relevant by PGW. These terms can be inspected at the registration desk and on the wall in the auction room. The current versions of PGW's Terms of Sale and Monthly Account Terms of Trade are also available online at: www.pggwrightson.co.nz/Our-Company/Terms-and-Conditions or in hardcopy on request.

DISCLAIMER

The TRANSTASMAN ANGUS CATTLE EVALUATION Estimated Breeding Values (EBVs) contained within this sale catalogue were compiled by International Genetic Solutions (IGS) from the data supplied by breeders. Neither Shorthorn NZ, AngusNZ nor IGS oversee or audit the collection of this data.

**Please bring this catalogue
to the sale.**

This sale will be hosted by bidr[®] (bidr.co.nz) as a HYBRID ON-FARM auction, with online bidding and a live-stream available for online purchasers.

All intending online purchasers must register with bidr[®] using an account held with one of the bidr[®] partner agencies in advance of the sale date.

The bidr[®] team is available to assist intending purchasers with signing up and registering – please call 0800 TO BIDR (0800 86 2437), or email enquiries@bidr.co.nz for assistance at any point.

Alternatively, contact your local bidr[®] representative:

AngusNZ EBVs Explained

EBVs and Selection Indexes remove the effects of non-genetic factors (e.g. feeding regimes, animal age) to provide the best measure of an animals genetic merit.

To ensure the accuracy of EBV and Index data, AngusNZ combine with Angus Australia to create a reference population known as the TransTasman Angus Cattle Evaluation (TACE).

By using TACE – along with visual and structural appraisal – will assist in creating a balanced phenotypical and genotypical breeding outcome.

FOUR STEPS TO SELECTING YOUR NEXT ANGUSNZ SIRE:

- 1. Consider your individual EBVs of importance
- 2. Consider other traits of importance (e.g. visual assessment)
- 3. Identify the **AngusNZ selection** index of most relevance to your breeding programme
- 4. **Rank animals** using the chosen Selection Index.

AngusNZ publishes the following TACE EBVs and Selection Indexes. Please note that only EBVs from the same TACE analysis can be directly compared.

Growth EBVs	Fertility & Birth EBVs	Carcase EBVs
Birth Weight	Scrotal Size	Carcase Weight
200 Day Growth	Days to Calving	Eye Muscle Area
400 Day Weight	Gestation Length	Rib Fat
600 Day Weight	Calving Ease Direct	Rump Fat
Milk (Maternal)	Calving Ease Daughters	Retail Beef Yield
Mature Cow Weight		Intramuscular Fat

Other EBVs	Selection Indexes
Docility	Self Replacing
Structural Assessment	AngusPure
	Heifer Dairy Terminal
	<i>Details about the Angus Selection indexes can be found at:</i> breedplan.une.edu.au/media/bqjbnnbh/using-new-zealand-angus-selection-indexes.pdf

For more information, including EBV descriptions and how to use them go to: **breedplan.une.edu.au/media/dtqpdm34/using-and-understanding-breedplan-ebvs.pdf**

Beef + Lamb Genetics have developed a new tool to make it easier to find the best bulls for your farming operation. Using a series of buttons and sliders, you can refine down your breeding criteria. On a click of a button, nProve then generates a list of bulls that best fit that criteria. It's free to use, there's no need to register and there's also helpful tips to get started. Try it out at **www.nprove.nz**

INVEST IN YOUR HERD'S FUTURE

Unlock the Power of Genomics with AngusGS

Get the genetic insights you need to make smarter breeding decisions, reduce risk, and maximise herd potential.

AngusGS is the ultimate Angus-specific genomic profiler, delivering unmatched insights into key traits such as calving ease, birth weight, marbling, female fertility, and more.

Look for the AngusGS logo on sale lots—it shows that the animal has undergone SNP testing (via Neogen & PBB) and has been included in a Genomic Evaluation, with “Genomics” listed under Traits Analysed.

WHY ANGUSGS?

- Make smarter selection decisions — gain genetic insights earlier in an animal's life.
- Market with confidence — provide buyers with verified genomic data.
- Strengthen herd linkages — enhance connections within the Angus reference population.
- High-density SNP profiling — over 75,000 SNPs for deeper genetic analysis.
- Trusted parent verification — conducted in-house by the PBB DNA team.

**Power your breeding program with AngusGS
— because better data leads to better cattle.**

**FOR COMPLETE END-TO-END SERVICE AND SUPPORT,

COMMENTS:

THE REMARKABULLS.

In 2024 we sought your prize-worthy bulls to hero them front and centre – they really fill the frame.

These beautiful bulls are worth their weight and more, requiring strong cover on sale day, and solid service every day after that.

That's why we offer existing FMG clients (with an active policy), **14 days free cover** for bulls purchased at any FMG Premier Bull Sale up to the value of \$50,000 per bull, on completion of an Insurance Form.*

Cover can be extended beyond the initial 14 days free cover for the remaining period of 12 months at 7.6% of the purchase price (rates differ for shorter policy periods).

To find out more, talk to your FMG rep, visit fmg.co.nz/contact-us or call us on 0800 366 466.

*Offer subject to Livestock Policy terms and exclusions, and underwriting criteria.

We're here for the good of the country.

Top to bottom: CHAROLAIS - Trudy and AJ McIntyre; ANGUS - Sherson Family (Brian and Sharon Sherson, their son Rob and his wife Tracy); HEREFORD - Jason Hill; SOUTH DEVON - Richard and Denise Van Asch.

NZ Shorthorn EBVs Explained

BREEDPLAN EBVs and selection indexes remove the effects of non-genetic factors (e.g. feeding regimes, animal age) from what is seen and measured to provide the best measure of an animal's genetic merit. BREEDPLAN information should always be used in conjunction with other selection criteria, including visual assessment.

A BEST PRACTICE GUIDE TO SELECTING YOUR NEXT NEW ZEALAND SHORTHORN SIRE

A BREEDPLAN Guide to Animal Selection allows you to select the best genetics for your herd in four easy steps:

1. Identify the New Zealand Shorthorn selection index of most relevance to you.
2. Rank animals using the chosen selection index.
3. Consider the individual EBVs of importance.
4. Consider other traits of importance (e.g. visual assessment).

The majority of these steps can be undertaken online, allowing you to generate a shortlist of bulls for potential purchase ahead of sale day.

The searchable version of this catalogue can be found online at <https://www.shorthorn.co.nz/> or at Pivot Design: www.pivotdesign.co.nz/catalogues

NEW ZEALAND SHORTHORN BREEDPLAN

The New Zealand Shorthorn Association publishes the following BREEDPLAN EBVs and Selection Indexes. Please note that only EBVs from the same BREEDPLAN analysis can be directly compared.

Growth EBVs	Fertility & Birth EBVs
Birth Weight	Scrotal Size
200 Day Growth	Days to Calving
400 Day Growth	Gestation Length
600 Day Growth	Calving Ease Direct
Milk (Maternal)	Calving Ease Daughters
Mature Cow Weight	

Carcase EBVs	Selection indexes
Carcase Weight	Self Replacing Index
Eye Muscle Area	Dairy Index
Rib Fat	<i>Scan QR code for more detail</i>
Rump Fat	
Retail Beef Yield	
Intramuscular Fat	

Information on Selection Indexes can also be found at:
<https://breedplan.une.edu.au/media/xu0o2bi1/using-new-zealand-shorthorn-selection-indexes.pdf>

NOTES

FMG Premier Bull Sale Insurance Form

What is FMG Premier Bull Insurance?

On receiving a completed FMG Premier Bull Sale Insurance form, FMG provides its existing FMG clients with an active policy 14 days free insurance for bulls purchased up to \$50,000. For bulls purchased over \$50,000, please contact an FMG representative.

What is the length of cover?

Your specified bull(s) will be insured for 14 days once you have fully completed this form and it's received by an FMG representative. If you would like a longer period of cover, simply tick the Cover extension box below to extend your Premier Bull Insurance to 12 months. The specified bull(s) is then insured for the next 12 months at **7.6%** of the purchase price. FMG will invoice you for this additional cover.

What are the benefits?

✓ <i>Infertility</i>	Cover if your specified bull has to be euthanised due to permanent infertility caused by certain accidents, disease, injury, or illness.
✓ <i>Theft or death</i>	Cover for your specified bull for theft or death caused by certain accidents, disease, injury, or illness (including while in transit anywhere in New Zealand).
✓ <i>Vet costs</i>	Cover up to \$500 for treatment of your specified bull to prevent death.

What will FMG pay?

FMG will pay the fair market value of your specified bull, less any amount you receive for the sale of the carcass, up to the amount shown on the insurance certificate.

FMG Premier Bull Sale Insurance Form

Apply

Please fill in this form as soon as you have purchased your new bull(s) and hand it to your FMG representative.
This form **MUST** be fully completed and you have to be an existing FMG client with an active policy to be eligible for the 14 days free Premier Bull Sale Insurance.

FMG Premier Bull Sale Insurance Form

Cover extension

☐

Tick here to extend your Bull Insurance to 12 months @ 7.6% of the purchase price of your bull. This will extend the cover beyond the initial 14 days free cover for the remaining period of 12 months.
