NZ FARMERS LIVESTOCK

Working with Farmers for Farmers

Here at NZ Farmers Livestock, we take pride in selling on behalf of Shadow Downs Hereford Bull Sale.

Contact: Karl Stratton 027 316 5572, Josh Howe 027 817 0264 or Steve Quinnell 027 552 3514 for more information on this sale.

We are 100% NZ owned and operated, and have a long standing and established history in the livestock market. We are home to MyLiveStock, New Zealand's credible and evolving network, a website and app providing clients with up to date information on all aspects of livestock.

Our very popular Bull Plan option is tailor made for farmers to purchase their bulls when cash is limited and repay when the bulls are sold.

Contact: Simon Williams 027 491 2173 for further information.

SHADOW DOWNS

POLLED HEREFORD STUD

Daniel, Rae, Ian and Nancye have pleasure in presenting our twenty second on farm sale.

Shadow Downs Polled Hereford Stud was founded in 1994 with six females and now totals over 180 breeding cows.

Another year has passed by and what a change with the lack of rain this summer, and now a cold wet winter which both have challenged feed conditions.

The last six months has seen the beef market climb to great heights. A shortage of beef has led to this, and with dairy in a strong position to provide the cattle our market needs, it looks promising for years to come. That said, we need to use the best genetics available.

We are proud of our sire bull team, from our home-bred to our brought in sires, they are all performing to our expectations.

This year we have some really good bulls by Otoki Leap Forward, our main herd sire. He is adding muscle and fats to our herd, along with moderate birth weights, high growth and top fertility traits and will be a cornerstone sire. He has stamped his mark on his progeny which have a high representation in the 2 year bulls on offer this year.

We are also pleased with the bulls by Bow 4085, Anzac 2015, Duplex 7079 and Hendrix 9027 who is establishing himself as a valuable asset to our sire team (a couple of top young bulls in this year's sale).

- **Calving Ease** – Only bulls unassisted at birth are eligible for sale.
- **Fertility** – all heifers must calve as a two-year-old and get back in calf.
- **Temperament** – All bulls must show a quiet disposition when handled.
- **Correct Structure** – Equals less breakdowns, ability to walk long distances and serve successfully. A good rein of neck and clean shoulder equals calving ease.
- **Curve bending growth** – Low birth weight and high growth rate sires to produce optimum offspring.
- **Carcase** – Muscle scanning (eye muscle, rib and rump fat and intramuscular fat) for quantity and quality of prime cuts.

"The beef breed for every need"

CONDITIONS OF SALE

1. The New Zealand Stock & Station Agent's Association Conditions of Sale and, to the extent deemed relevant by New Zealand Farmers Livestock Ltd (NZFLL), NZFLL's Terms of Sale apply to this sale. When proceeds are credited or a purchase is debited to a NZFLL monthly credit account, then NZFLL's Monthly Account Terms of Trade (as amended from time to time) apply to the extent deemed relevant by NZFLL. These terms can be inspected at the registration desk and on the wall in the auction room. The current versions of NZFLL's Terms of Sale and Monthly Account Terms of Trade are also available online at: <https://mylivestock.co.nz> or in hardcopy on request.
2. Buyers are requested to leave their full address, phone number, and specific instructions with the booking clerk before leaving the sale.
3. Purchases choosing to take advantage of deferred payment. PGG Wrightson Defer-a-bull is available with prior arrangement. Contact your local PGG Wrightson agent regarding this finance facility.
4. Take advantage of NZ Farmers Livestock Bull Plan Finance options. Contact your local Agent for more information.
5. All lots sold exclusive of GST.
6. Every lot will be at the risk of the purchaser from the fall of the hammer. All cattle remaining on the property pending delivery should be insured, as no responsibility shall be taken by the vendor.
7. Under the Rules and Regulations of OSH Act and Resources Management Act, all visitors are warned that they enter the Herengawe Road property belonging to the vendor, at their own risk.
8. All intending purchasers must register at the sales office prior to the sale. NZFLL will pay a purchasing rebate of 6% of the purchase price excluding GST, plus GST, to livestock companies & recognised independent livestock agents with a NZFLL account who have introduced buyers to NZFLL before the sale and/or accompanied buyers to the sale. Arrangements must be made prior to the sale and settlement made on the purchaser's behalf within 14 days.

CONDITIONS OF SALE

9. We would appreciate intending purchases to register and provide your NAIT number.
10. We ask that all bulls are uplifted from the farm by 8th October 2025. Trucking days will be Mondays and Thursdays.

NOTE:

Although every care has been taken to ensure accuracy in this catalogue, the vendor, the vendor's agents and printer do not take any responsibility for any errors, omissions contained therein.

The BREEDPLAN Estimated Breeding Values (EBVs) contained within this sale catalogue were compiled by the Agricultural Business Research Institute (ABRI) from the data supplied by breeders. Neither Hereford NZ nor ABRI oversee or audit the collection of this data.

- *Top genetics used.*
- *Transfers and certificates available.*
- *National Hereford Group Breedplan.*
- *TB & Brucellosis accredited free C10.*
- *BVD & Lepto vaccinated & tested.*
- *Electric fence trained.*
- *Offering Merit Sires.*
- *Run under commercial conditions.*

HEREFORD NZ EBV'S EXPLAINED

BREEDPLAN EBVs and selection indexes remove the effects of non-genetic factors (e.g. feeding regimes, animal age) from what is seen and measured to provide the best measure of an animal's genetic merit. BREEDPLAN information should always be used in conjunction with other selection criteria, including visual assessment.

A BEST PRACTICE GUIDE TO SELECTING YOUR NEXT NEW ZEALAND HEREFORD SIRE

A BREEDPLAN Guide to Animal Selection allows you to select the best genetics for your herd in four easy steps:

1. Identify the **New Zealand Hereford selection index** of most relevance to you.
2. **Rank animals** using the chosen selection index.
3. Consider the individual EBVs of importance.
4. Consider other traits of importance (e.g. visual assessment).

The majority of these steps can be undertaken online, allowing you to generate a shortlist of bulls for potential purchase ahead of sale day. The searchable version of this catalogue can be found online at www.herefords.co.nz or www.pivotdesign.co.nz/catalogues.

NEW ZEALAND HEREFORD BREEDPLAN

New Zealand Herefords publishes the following BREEDPLAN EBVs and Selection Indexes. Please note that only EBVs from the same BREEDPLAN analysis can be directly compared.

NZ HEREFORDS BREED AVG. EBVS FOR 2023 BORN CALVES
